Symposium

“Newly applicable analytical methods in investigative pathology”

- Preface and conclusion for symposium: Newly applicable analytical methods
in investigative pathology Takeshi KASAJIMA, Makio KAWAKAMI, Makio KOBAYASHI . . . 223~225
- Immunohistochemistry in endocrine pathology Motohiko AIBA . . . 226~235
- Application of in situ hybridization technique in morphological research Yoichiro KATO . . . 236~245
- Morphometry Makio KAWAKAMI . . . 246~255
- Clinical implication of detection of mutations of hepatitis B viral DNA
using PCR method Kiyoshi HASEGAWA, Junko KATO, Nobuyuki TORII,
Toru SHIZUMA, Shinji KOJIMA, Kayo ISHIKAWA,
Katsumi YAMAUCHI, Naoaki HAYASHI . . . 256~264
- Genetically engineered animal as a tool to study mechanisms
of morphogenesis Takahiko YOKOYAMA . . . 265~272
- Molecular detection of genetic alterations from paraffin-embedded pathology
specimens: an application in diagnostic pathology of neoplastic diseases Masaki OHMORI . . . 273~282

Originals

- Studies on the solute removal characteristics of hemofilters Michio MINESHIMA . . . 283~291
- Surgical treatment and staging for gastric malignant lymphoma Hidetoshi OGUMA . . . 292~301
- Clinical psychiatric study of psychogenic pain Hideki YOSHIMURA . . . 302~312
- Glomerular expression of adhesion molecules and cytokines in IgA nephropathy . . . Miwako ASANO,
Ken TSUCHIYA, Hiroyuki OZU, Wako YUMURA . . . 313~322
- Study on influence of onset age of diabetes on the development of background
retinopathy in young-onset Japanese IDDM patients Yuko HIGAMI . . . 323~329
- Gene expression of endothelin-1 in the rat placenta under chronic fetoplacental
hypoxia induced by uterine artery ligation Wen-Rong HE, Koichiro TAKAGI,
Takanobu YOSHIMOTO, Mitsuhide NARUSE, Kiyoko NARUSE,
Hiroshi DEMURA, Masao NAKABAYASHI, Yoshihiko TAKEDA . . . 330~337

Case Report

- Two cases with abnormal MRI findings in the femoral head after intracapsular
fracture of the femoral neck Masayuki YOSHIDA, Sachiko SUGAWARA,
Miyako ISHIGAMI, Junji CHIBA, Shuori YAMADA,
Shuji TANAKA, Shoichi KANEKO . . . 338~342

Proceeding

- The 306th Meeting of the Society of Tokyo Women's Medical College 343~344

Society of Tokyo Women's Medical College
Tokyo Women's Medical College Library
8-1 Kawadacho, Shinjuku-ku, Tokyo, Japan
